## Career Objective:

**Full Stack Developer** with a strong foundation in software engineering and modern development practices. Experienced in designing, developing, and deploying scalable web applications. Proficient in front-end technologies and back-end frameworks. Committed to delivering high-quality, efficient, and user-focused digital solutions.

## Internship:

**Company Name :** MCube

**Role :** Full stack development

**Duration:** 24 June 2025 – 11 July 2025

Developed and deployed a full-stack web application using React.js for the frontend and Node.js + Express.js for the backend. Designed responsive web pages using HTML5, CSS3, JavaScript, and Bootstrap. Worked on bug fixing and feature updates, using GitHub for version control. Learned industry-standard coding practices and participated in code reviews.

## Technical Skills:

### Frontend Development:

HTML5, CSS3, JavaScript, React.js, Tailwind CSS, Bootstrap

### Backend Development:

Node.js, Express.js, Python (Flask/Django basics), Java

## Projects:

### 1.E-Waste Management

#### Sustainability & Environmental Project | Waste Management, Recycling Practices

Focused on environmentally responsible disposal of electronic devices, mitigating hazards from toxic substances, and promoting sustainable recycling and reuse methods..

### 2. Project Feedify

#### Web Application Project | HTML, CSS, JavaScript, Node.js, Express

Form-driven platform for collecting, managing, and analyzing structured user inputs like feedback, reviews, and surveys, with a responsive UI and secure backend for data processing and insight.

### 3.Project Website

#### E-Commerce Web Application | HTML, CSS, JavaScript, React.js

Developed a responsive online shop with product catalog, shopping cart, user authentication, and secure checkout, along with an admin dashboard for managing products, categories, pricing, and orders.

## Certifications:

**Google Cloud Skill Boost** – Cybersecurity Fundamentals - Issued by Google Cloud

**C Programming Certification** - Issued by SkyWin Education Center

**Paper Presentation Certification** - KALAM' 25 National Fair

## Education:

**B.E Einstein College Of Engineering**

**2022 – 2026**

Department : Computer Science and Engineering

**HSC , SSLC - St. Joseph Matric Hr. Secondary School**

**2020 – 2022**

Percentage : 70.8% , 79.8%
